Farewell Party was thrown after dinner. Students all gathered in the Main Auditorium and danced with all their passion and energy. After the dance, students had time to say goodbye and write message to others. It was a great time making precious memories with friends from KSASF 2015!

Scientific Inquiry Exhibition

Early in the morning, students all gathered in the Main Auditorium to see the Science Inquiry Exhibition. All students and their buddies had a conference to learn about each others' inquiries, while the outputs were displayed in the back of the hall. Each one team from every Scientific Inquiry subject made a presentation and a trial performance of their activities.

Cultural Excursion

Participants had time to look around Busan through Cultural Excursion Program. Participants visited Haedong Yonggung Temple. Situated near the sea, Haedong Yonggung Temple is noted for its scenic beauty. After participants looked around the temple, they moved to Lotte Premium Outlet. From there, students enjoyed delicious lunch and had time to do shopping.
